### From the Pastor

Hello Everyone,

We are so happy to finally be in Clyde! The packing and preparing to move seemed endless. Those of you who have experienced having to uproot from a place you felt settled into and go to a whole new environment can identify with our feelings. However, walking in relationship with God every day can be a new journey. That is exactly what God has shown us at this season in mine and Carol's life. In fact, Carol felt this way and exclaimed this very often as we packed to come to Clyde.

The welcome we received from the church, and all those who helped unload and get us settled in, confirmed our excitement to be at Clyde Christian Church. The new journey God has led us on, to come to Clyde, has started wonderfully. We were overwhelmed by the congregation's expression of joy and love through the many gifts and gift cards welcoming us to Clyde.

Carol is looking forward to getting to know people, being involved in the community, and fellowship opportunities. Gabby is adjusting well to her new surroundings. Gabby is looking forward to baby sitting and meeting new people inside and outside of school. Gabby is also looking forward to being involved in dance, pursuing her talents, and hopefully getting a job. I am excited to get to know people, working for the Lord in Clyde, Sandusky County, and starting ministry activities at the church. I'm looking forward to getting to know you more personally and working together as God leads us forward. If you would like to reach me, please call the church office or you may reach me on my cell phone 641-757-1362.
